

1.The Total Property Workshop™

Helps you clarify your current situation, develop a vision for your future, and explore a clear path for achieving your goals.

2.The Total Property Program™

A special program to help you assess, map, and implement a total plan for maximizing your property portfolio.
(Contract signed to go forward.)

3.The Property Opportunities Strategy Session™

A planning session to help you address obstacles, and choose appropriate strategies and tools for achieving your goals.

4.The Total Property Plan™

Developed during the Strategy Session, your plan details the milestones, timelines, and actions required to achieve your goals.

5.The Total Market Assessment™

A comprehensive assessment of the marketplace to ensure your property acquisition or disposition strategies are as effective as possible.

9.The Property Investment Maximizer™

A long term strategic planning partnership that helps you make the most of your past, current, and future property investments.

8.The Closing Celebration™

A detailed review of each transaction to ensure all of your expectations and needs have been met.

7.The Total Market Launch™ (Disposition)

A strategic marketing program that includes the most appropriate tools and tactics for attracting buyers to your properties.

6.Property Opportunities Presentations™ (Acquisition)

The presentation of prospective properties, to help you quickly understand each property's strength, weakness, and potential.

The **Total Property Experience™**
